CATALOGUE

As a Montreal-based company, we design innovative, durable urban furniture that responds to the diverse needs of communities. Our mission is to transform public spaces into inclusive, functional environments that inspire connection and belonging. Dedicated to sustainability, we create low-impact, long-lasting solutions and proudly make everything in Canada. Every product we craft is built to last, thoughtfully designed to enrich everyday urban life.

OASIS BENCH

With its flowing, organic shape, this bench comfortably seats up to a group of five people, inviting curiosity and connection. Designed to spark spontaneous conversations and social engagement, its ergonomic curve offers both visual appeal and lasting comfort in public environments.
